So you can all head back now.
The com-monder should be back shartly...
Pleose do your best.
Sure thing,
You can buy me dinner some-time!
You get fussy about the weirdest things, Admiral...
If you wanted to take a nap, you could've done it here.
You really fuss over strange stuff...
Phew ...

Been here from the beginning
There is no reason to be so alarmed.
Calm down.
でででたぁ～
WAAAAAAAA!!
ねぐ…
I see, so...
You caught the smell of the Commander on his jacket,
And, like a middle school boy, couldn't stop yourself from acting like a pervert.
Don't call me a pervert!!
Please do not worry.
I have no intention of telling anyone about your desires, Nee-san.
O... Okay.
Rather, I think it's wonderful the way you cherish the Commander,
Nagaminee-san.
Hayashimo...!
So don't worry about your... Smell fetish.
Just forget that part!

Fine then!
Haya-shimo!
Help me out!
Huh?

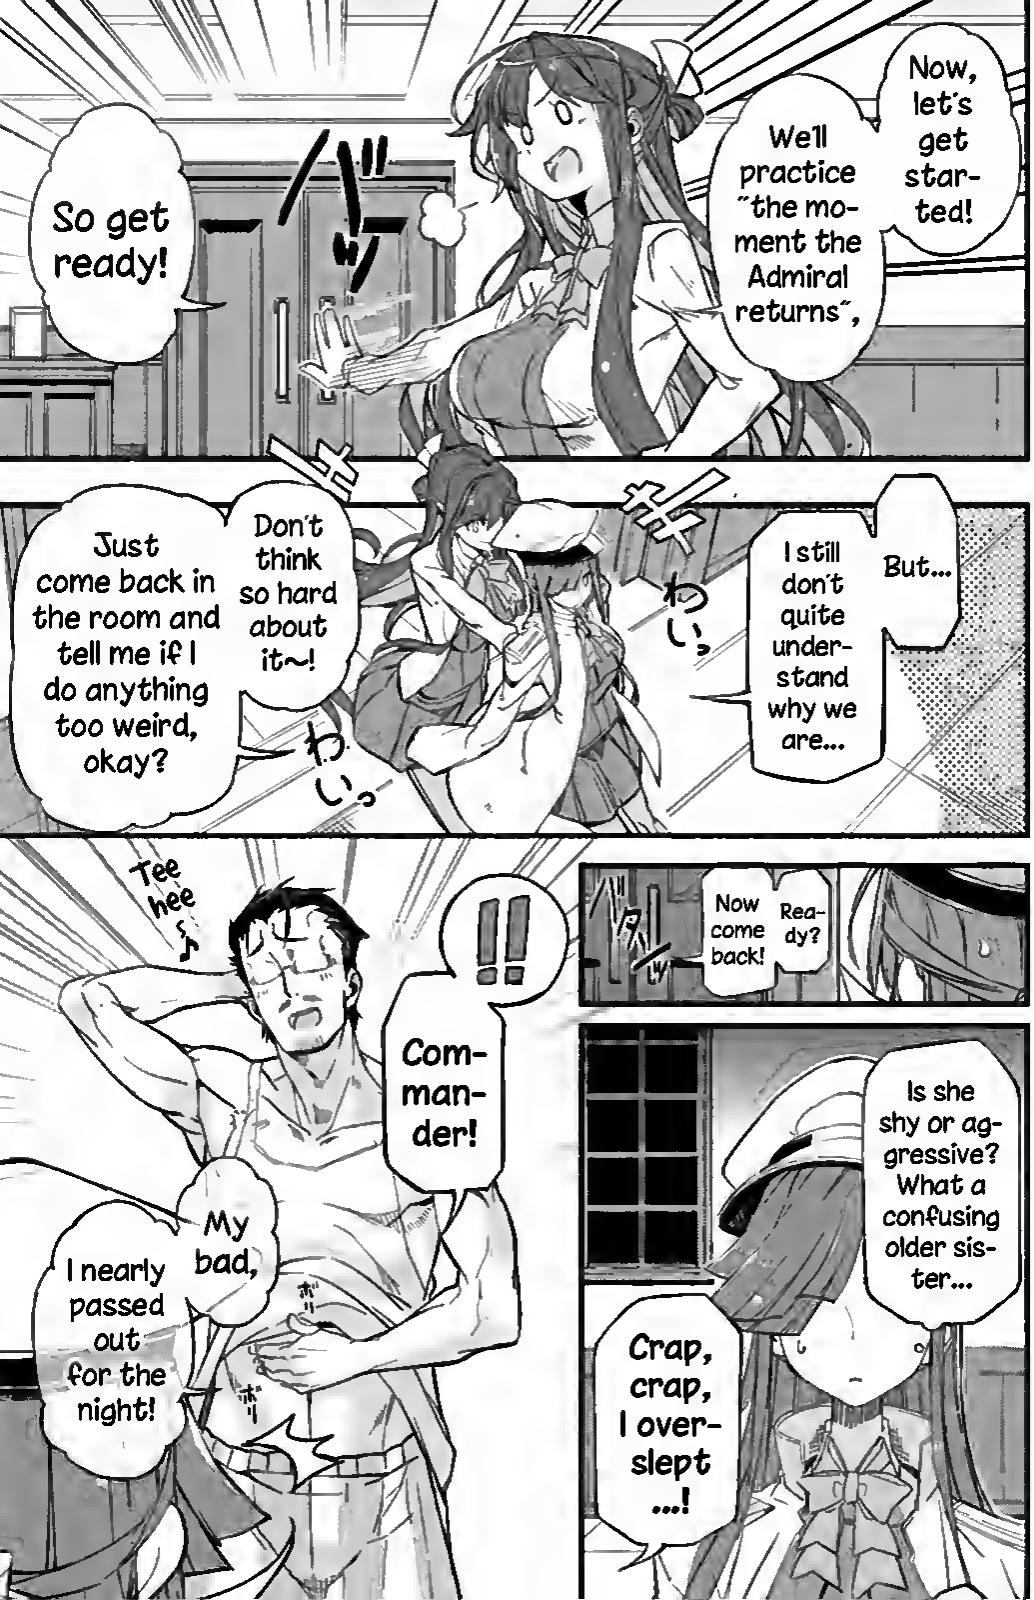
So...
Why do I have to wear the Commander's clothing?
I've been practicing doing sissy stuff like that a lot...
But every time I come near the Admiral, I can tell my level's way too lacking...
These are some nice cans~
INTERACTION PRACTICE LV1
I-Is that so...?
"Sissy stuff"...?
That's why...!
We're going to simulate anti-Admiral exercises...
Until I'm ready to never make a blunder like that again!
What a ridiculous idea...



Now, let's get started!
We'll practice "the moment the Admiral returns",
So get ready!
But...
I still don't quite understand why we are...
わいっ
Don't think so hard about it~!
Just come back in the room and tell me if I do anything too weird, okay?
わいっ
Now come back!
Ready?
Is she shy or aggressive? What a confusing older sister...
Crap, crap, I overslept ...!
Tee hee ♪

My bad,
I nearly passed out for the night!
